THE PROPOSAL

TJ calls Amy's family to get approval for asking the "big Q!"

They arrive at the restaurant for their 3-year anniversary dinner. Amy suspects nothing. TJ reserved the same booth from the 1st time they ate there.

The two proceed to stuff themselves with sushi and enjoy the jazz trio.

They finish the meal & TJ sets a ring box on the table. Amy is surprised.

She opens the box & a finger puppet pops up. She thinks "that stinker got me a finger puppet!"

Amy says "Yes" and gives him a high five! Their Champagne comes to the table! Amy wore the finger puppet, the ring the rest of the evening.

Interview with the Bride and Groom

Q: What is your favorite cartoon?

A: That is easy, SpongeBob SquarePants. But, if you had ask me that question 23 years ago, it would have been a toss up between Care Bears and Thundercats (Hooo).

T: Johnny Quest because his antagonists are always some kind of crazy fuzzy monsters, flying saucers, prehistoric animals, or giant robot characters - and I think that is really swell.

Q: What is your pet name for one another?

A: Grizzly Bear, because of his red beard.

T: HB, short for Hunny Bunny.

Q: Is there one thing about the other person that you love most?

A: Because we have a lot in common, soup and peas, talking and not talking, we could just not talk forever.

T: The thing I love most about Amy is that she is the compendium of all things considered beautiful to my heart including her sense of humor, creativity, young vibrant spirit, adventurous nature, never want to grow up attitude, weakness for culinary delights (popcorn), her determination, and compassion for all things.

Q: You are shrunk to the height of a nickel and your mass is proportionally reduced so as to maintain your original density. You are then thrown into an empty glass blender. The blades will start moving in sixty seconds. What do you do?

A: Uhmm, if I am allowed a superpower, which is pre-supposed given that I have just shrunk myself, I would activate my spidey senses and suction cup my way out.

T: Let me see..

$$I(\omega_m) = \Delta e^{i\omega_m a} \left\{ W(\theta) [\text{DFT}(h_0 \dots h_{M-1})]_m \right. \\ \left. + \alpha_0(\theta)h_0 + \alpha_1(\theta)h_1 + \alpha_2(\theta)h_2 + \alpha_3(\theta)h_3 \right. \\ \left. + e^{i\omega(b-a)} \left[A(\theta)h_M + \alpha_1^*(\theta)h_{M-1} + \alpha_2^*(\theta)h_{M-2} + \alpha_3^*(\theta)h_{M-3} \right] \right\}$$

...is sixty seconds up yet?

I LOVE CHICAGO!
Here are some of my
favorite things
to do...

ABOVE AND BEYOND - National Vietnam Veterans Art Museum
1801 S. Indiana Avenue

It is the first new permanent Vietnam War memorial, other than The Wall in Washington, D.C., to list all those killed in action. This is a tremendously moving experience, and is just a few blocks from the Chicago lakefront path.

CHICAGO SUMMER DANCE

Spirit of Music Garden in Grant Park.

601 S. Michigan Ave. (between Harrison and Balbo across from Columbia College).

June 12 - August 24, 2008..

The 11th annual Chicago Summer Dance festival of free outdoor public dancing and live music. If you are up for more dancing after the wedding, this is the place to be. It is truly a unique Chicago experience.

MUSEUM OF CONTEMPORARY PHOTOGRAPHY

600 S. Michigan Avenue

Monday thru Friday 10am to 5pm (Thurs till 8pm) Saturday 12-5pm.

Since we both love photography we thought we would put this one in there too. You check this out, then walk across the street the Summer Dance.

MAXWELL STREET MARKET

Canal Street and Roosevelt Road

7am to 3pm every Sunday.

A Chicago tradition of bargains and haggling with an international flavor. This is a Chicago style flee market. If you are looking for some mariachi music, fried cow brains, and the spice truck - this is the spot for you!

MILLENIUM PARK

You havent been to Chicago until you have seen the Bean! Even if you dont go to Millenium Park for the music or events go for the atmosphere.

Here is a list of weekends events at Millenium Park:

Made in Chicago: Celebrating Nat King Cole

8/21/2008 6:30 PM - 8:00 PM at the Jay Pritzker Pavilion.

One Night Only: Chicago Sinfonietta: The Planets
